Parent to Parent: A message from the DCPIC Chair

Dear Parents, Guardians and Partners in Education,
We celebrate Catholic Education Week during the first week in May. This year's theme is Exploring Paths of Joy. How do you define joy? His Holiness, Pope Francis tells us, "Joy adapts and changes, but it always endures, even as a flicker of light born of our personal certainty that, when everything is said and done, we are infinitely loved." At our recent annual event of honouring parent volunteers from each of our schools, I was a witness to the abundance of joy and love that exists in our school communities. The Distinguished Catholic Volunteers are parents who have found their path of joy by serving freely and lovingly at each of their schools. I am appreciative of our board for their partnership and friendship with the parent community.

On behalf of the DCPIC, I want to thank you for reaching out to us this year and sharing your successes and challenges. We hope that the events and information from our committee is helpful to you as parents supporting their children at school and at home.

We value your input. Please complete our year end parent survey found online at: <https://www.surveymonkey.com/s/dcpic2015>. Together, we have a strong parent voice as partners in our children's education. As we look towards the summer months, I wish you and your families time to connect and recharge, and may you explore paths of joy together!
Warmest greetings,
Roxanne Horwitz

Communications

In a continued effort to provide effective channels of communication for parents in our board, our subcommittee is in the final stages of creating a DCPIC Facebook page.

This new initiative will add to our communications network which currently includes a website DCPIC.ca, twitter feed @DCPIC, newsletters and email programs.

Please visit DCPIC.ca to watch for news of our Facebook page launch as well as upcoming DCPIC events.

Policy/By-Law

The mission of Policy/By-Law Subcommittee is to review Durham Catholic District School Board's Policies and Administrative Procedures that are reviewed on a regular basis and give feedback that is optimal for student achievement and well-being.

We also review our DCPIC By-Laws at least every three years; this is a requirement of our by-laws and it helps us reflect on being current with the changes within our school community.

We invite you to give your input on Policies and Administrative Procedures that are continuously being reviewed throughout the school year. Please go to

www.dcdsb.ca and then go to the "Board Policy Input" button at the bottom of the page. Click on the button. Review the Policies and Administrative Procedures. If you have input to any or all of the Policies and Administrative Procedures, send an e-mail to policyinput@dcdsb.ca and give your input in the form of an e-mail.

Please note the input deadline at the top of the page. The more input the Board has, the better our Board will be in the future!

DCPIC Events for Parents

The DCPIC Parents Reaching Out (PRO) Grant Subcommittee took on an amazing project this year. Our goal was to provide information to parents and guardians about Mental Health in our schools. Our grant was one of the highest awarded from the Ministry of Education, which speaks volumes about the Board and the Ministry's concern for youth mental health.

We began a series of events under the Demystifying Youth Mental Health (DYM) umbrella, and we planned 5 events. The list includes: 1) Dr. Sandra Mendlowitz speaking about anxiety in January; 2) Dr. Bruce Ferguson speaking about working together to make our kids successful in February; 3) Elevated Grounds provided a theatrical-based presentation about mental health in March; and most recently 4) Mini-Conference with several presenters and keynote speaker Ann Douglas on April 18th.

All feedback received has been positive and the information we have been able to provide has been excellent. DCPIC has one final event planned for this year focusing on helping kids thrive in anxious times.

Registration is through Eventbrite, and the direct link can be found on the DCPIC and DCDSB websites.

Faith Formation

The mission of the Faith Formation Subcommittee is to continue to promote positive and supportive relationships between home, school and parish and to find ways to help our students and families grow in their Faith. Our last event was the Easter Craft Night on March 31st held at Blessed Pope John Paul II.

Children and their families first listened to a brief liturgy about the Lenten season and the significance of Easter. They then rotated between five different craft stations with their families. The evening was a great success and enjoyed by all.

School Council and Parent Outreach

The Student Council and Parent Outreach Subcommittee, has focused on achieving our strategic goals all year. Beginning with our Annual Orientation & Commissioning Mass earlier this year, the development and distribution of the official DCPIC School Council Handbook to school councils, and ongoing email updates from DCPIC Chair Roxanne Horwitz to School Council Chairs and Co-Chairs about our latest news and events, to ensuring that each DCPIC member has been assigned 3-4 schools to achieve personal contact and representation, and providing parents with the opportunity to express any feedback or information from parents through surveys and our members.

We look forward to continuing to partner with parents, our school board, and community members, to remain involved in our children's education and their future.
